ABOUT US

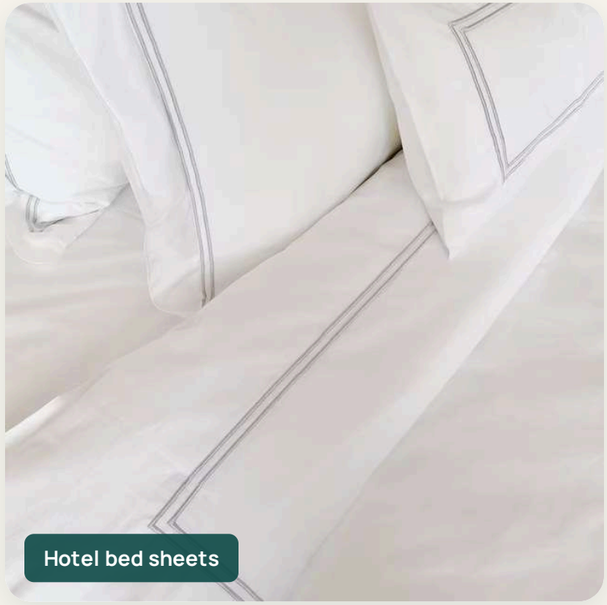

A Faisalabad textile family, sourcing for the world.

Saleemi Textiles is the export sourcing arm of the Saleemi family, in Faisalabad's textile trade since 1994. Faisalabad is where most of Pakistan's bed linen and towels are woven, processed and stitched — and we know which mills make each product best.

You tell us the product, quality and quantity. We find the right mill, send you samples and an FOB price, follow production, check the goods and ship them. One contact, mill prices, and someone on the ground in Faisalabad working for you.
